## Marketing Permissions (Completed by child 12 years or older / or Parent/Carer of child 11 or younger)

To help with the promotion of St George's, we like to showcase life at St George's and the accomplishments of our pupils through captivating images. We like to feature these photos/digital images in various ways and on a range of marketing channels to help promote our school. These images brighten up our social media channels and website, add interest to printed media and digital advertising and enhance our school editorials. Additionally, we enjoy sharing video footage of our talented students in action, making our marketing channels even more engaging.

I give permission for my / my child's image and first name to be used by the school in promotional materials.
